

## Stefano Bonomolo

Mr. Stefano Bonomolo holds a Mechanical Engineering Degree from the University of Rome - La Sapienza and a full time Master of Business Administration from the University of Milan - Bocconi Business School with MBA exchange program at the University of Michigan's Ross School of Business.

From 2000 and until 2007, he worked at the management consulting firm A.T. Kearney in the areas of strategy, M&A, business planning and due diligence, supply chain improvement and cost reduction for international clients in several sectors including automotive and transportation.

From strategic consulting, he then moved in the infrastructure and concessions business and covered the role of Area Manager at Autostrade per l'Italia S.p.A. which he joined as a Project Manager in 2007.

After, he was Head of Business Development at Autostrade dell'Atlantico, the Atlantia S.p.A. subsidiary which held a network of international toll roads and electronic tolling services company within the Atlantia Group's global portfolio. In the following years, he took the role of Head of Business Development in Highway Business Coordination at Atlantia, to then work in the toll roads investment management at the newly named (in 2023) Mundys S.p.A.

His roles and experiences at Mundys include also the positions of Chairman or Board Member of several companies of Mundys Group.

Since 2020 he held the position of Supervisory Board Member and Chairman of the Remuneration Committee of the Supervisory Board of Stalexport Autostrady S.A. and Chairman of the Supervisory Board of Stalexport Autostrada Małopolska S.A.

In the Stalexport Autostrady Group, he also covers since 2021 the role of Supervisory Board Member of the operation and maintenance service company VIA4 S.A.

From June 2024, he holds the positions of Vice President of the Management Board, Chief Operating Officer, of Stalexport Autostrady S.A. and of Stalexport Autostrada Małopolska S.A.
